CONSENT TO USE AND DISCLOSURE OF PROTECTED HEALTH CARE INFORMATION FOR TREATMENT, PAYMENT AND HEALTH CARE OPTIONS

I understand that:

- As part of my health care, Orthopedic Rehab Inc. originates and maintains health records describing my health records describing my health history, symptoms, examinations, diagnoses and treatment.
- The use and disclosure of my protected health information (PHI) by Orthopedic Rehab Inc. is necessary in order to provide my medical care, and is also necessary for Orthopedic Rehab Inc. to obtain payment for my treatment and to carry out the practice's health care operations.
- I have the option to receive a copy of **Orthopedic Rehab Inc.'s Notice** of **Privacy Practices** which provides a more complete description of the use and disclosure of my health information, and that I have the right to review that Notice prior to signing this consent. I also understand that Orthopedic Rehab Inc. reserves the right to change the Notice and its privacy practices at any time and that if I request, Orthopedic Rehab Inc. will mail me a copy of any revised Notice prior to its implementation.

I give Orthopedic Rehab Inc. permis-
sion to talk to the following person/
people regarding my account and
health information:

NAME:

RELATIONSHIP TO PATIENT:

CANCELLATION AND NO SHOW POLICY

Your appointments are reserved especially for you and are very important to the OrthoRehab team. We understand that sometimes schedule changes are necessary and therefore, we respectfully request at least 24 hour notice for cancellations or rescheduling of appointments. Because of the busy nature of our office, 24 hour notice allows us time to offer your appointment to another patient.

Missed scheduled appointments, without providing 24 hour advance notice, will be charged a \$25 fee.

ASSIGNMENT OF BENEFITS AND INSURANCE DISCLAIMER

I authorize my health insurance to make payment of medical benefits directly to Orthopedic Rehab Inc. I understand that I am liable for any charges incurred should my insurance or the liable party's insurance deny payment for ANY reason.

Although Orthopedic Rehab Inc. contracts with most insurance providers, they bill my insurance as a courtesy to me. I will provide all pertinent and related insurance information, including any accident, automobile, liability, and or health insurance. Orthopedic Rehab Inc. reserves the right to lien patient recoveries from legal or insurance settlements for unpaid charge when permitted by law. Orthopedic Rehab Inc. will not bill attorneys for any claims.

I am responsible for knowing what my medical and outpatient physical therapy benefits are. I agree to pay any co-payments, co-insurance, and deductibles at the time of service. I understand that should my balance exceed 90 days, a finance charge will begin to accrue.

Orthopedic Rehab Inc. will arrange a payment plan and/or assist me with Care Credit, when necessary. Unless payment arrangements are made with Orthopedic Rehab Inc., past due balances will be sent to an outside collections agency. I understand that should I default on payment of my account and collection agency services are required, all costs of collection including attorneys will be added to the balance of my account.

Modified Oswestry Low Back Disability Questionnaire

	Patient	Name:
--	---------	-------

Date: _____

Se	ction 1 – Pain Intensity	Se	ction 6 – Standing
	I can tolerate the pain I have without having to use pain		I can stand as long as I want without increased pain.
	medication.		I can stand as long as I want but it increases my pain.
	The pain is bad, but I can manage without having to take		Pain prevents me from standing for more than 1 hour.
	pain medication.		Pain prevents me from standing for more than $\frac{1}{2}$ an hour.
	Pain medication provides me with complete relief from pain.		Pain prevents me from standing for more than 10 minutes.
	Pain medication provides me with moderate relief from pain		Pain prevents me from standing at all.
	Pain medication provides me with little relief from my pain		
	Pain medication has no effect on my pain.
